

PUBLIC ROADMAP

FLOWRA — What's Coming Next

We don't ship surprises. Here's what's on our list for the next 12 months. Dates are intentions, not promises.

Quarter Ahead (Q2 2026)

PyInstaller `.exe` installers	One-click setup for both Tally v9 and Busy v1 desktop agents. No Python install needed.
GSTR JSON Reconciliation	Upload GSTR-1 / 2B / 3B JSON inside CA Corner; auto-reconcile against your Tally / Busy vouchers, surface mismatches.
SuperAdmin Backups + Per-tenant Data Export	DPDP-grade right-to-portability. One-click download of any tenant's full data as JSON/Excel.
MongoDB Atlas Migration	Production move from Emergent preview pod to Atlas M10 in Mumbai (ap-south-1).
DigitalOcean Phase-1 Deployment	Sub-domain architecture (insights / tasks / loyalty) live on production droplets.

Mid-term (Q3-Q4 2026)

FLOWRA Tasks (suite app)	Team execution platform — assign, chase, close. tasks.flowralive.in
FLOWRA Loyalty (suite app)	Loyalty engine for Indian retail — points, tiers, referrals, WhatsApp-native. loyalty.flowralive.in
Audit Logs CSV Export	Full audit trail downloadable from SuperAdmin.
Payment Follow-up Automation	Email + WhatsApp reminders triggered on overdue invoices. Resend + WhatsApp Business API.
Sync Health Email Digest	Weekly summary email — per-company sync health, errors, missing days.
In-app New Feature Spotlight	Auto-show modal on login when major features ship. Re-uses tour infra.

Long-term Wishlist (2027+)

Mobile native apps (iOS + Android)

React Native build of Salesman + Dispatch flows.

Embedded Stripe + Razorpay payments

Send a payment link from CRM → auto-mark invoice as paid on receipt.

Direct GST API via GSP partnership

Real-time GSTN data instead of upload-based reconciliation. Requires GSP licensing.

FLOWRA Pulse

AI assistant inside every screen — ask 'why is this customer overdue?' and get a one-paragraph explanation.

Marketplace integrations

Amazon, Flipkart, Meesho order auto-ingestion into Dispatch Terminal.

Tell us what to build

We add a feature only when 2+ Indian business owners ask for it. If you'd like something on this list — or off it — write to hello@flowralive.in with your business context. The most-requested features get built first.
