

FLOWRA Academy

Storyboard — 30 Lessons

This storyboard is your teleprompter + shot-list for recording each Academy lesson. Each page contains the exact Hinglish voiceover text (matched to **lesson-NN.srt** timing), and a shot direction column telling you what to click / show / hover on screen while that segment plays.

Voice: **Onyx** (male, deep, authoritative)

Total lessons: **30** across 6 tracks

Total runtime: ~**55 minutes**

Track index

#	Track	Lesson	Length
01	Getting Started	FLOWRA kya hai? (2 min mein)	90s
02	Getting Started	Pehli baar login kaise karein	75s
03	Getting Started	Home dashboard ka tour	2m
04	Getting Started	FY aur Company choose karna	45s
05	Owner	KPI cards padhna — Sales, Orders, Outstanding, Beat	2m
06	Owner	What's New module — updates kahaan milay hain	60s
07	Owner	Resource PDFs download karna	90s
08	Owner	Financial pitch deck aur projections	2m
09	Owner	Super-admin — users, branches, license	3m
10	Ops Manager	Sales tab — filters, drill-down, export	3m
11	Ops Manager	Inventory tab — ABC/D, stock groups, reorder	3m
12	Ops Manager	CRM — Outstanding aur aging buckets	2m
