

FLOWRA

Unlock the Full Power of Your Tally* Data

www.flowralive.in

The Problem

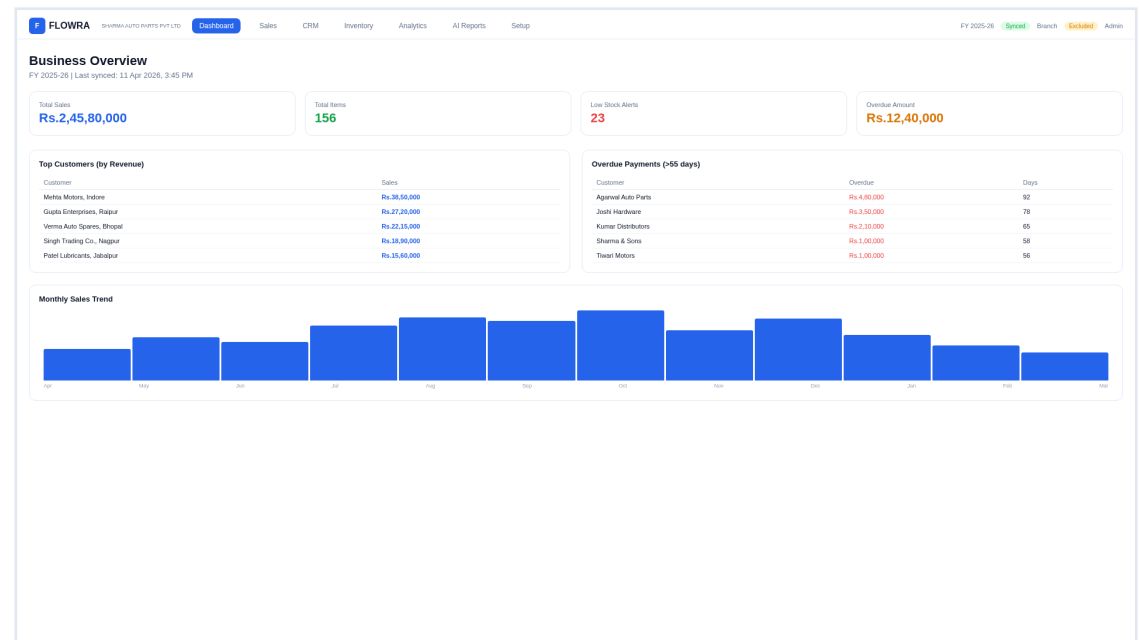

- > Tally* data is locked on your desktop
- > No mobile access to sales, inventory, or outstanding
- > Manual Excel exports waste 3-4 hours every week
- > No real-time visibility for business owners on the move
- > Multi-branch transfers inflate actual sales figures
- > No Cash Flow or P&L view outside Tally*

FLOWRA: Your Tally* Analytics Cloud

- > Auto-syncs with Tally* in real-time via Desktop Connector v8
- > Access sales, inventory, CRM, P&L from any device
- > Bank-grade 256-bit AES + Fernet encrypted local auth
- > 2-minute setup with guided onboarding tour
- > reCAPTCHA v3 security + 15-min idle auto-logout
- > Built specifically for Indian SMEs

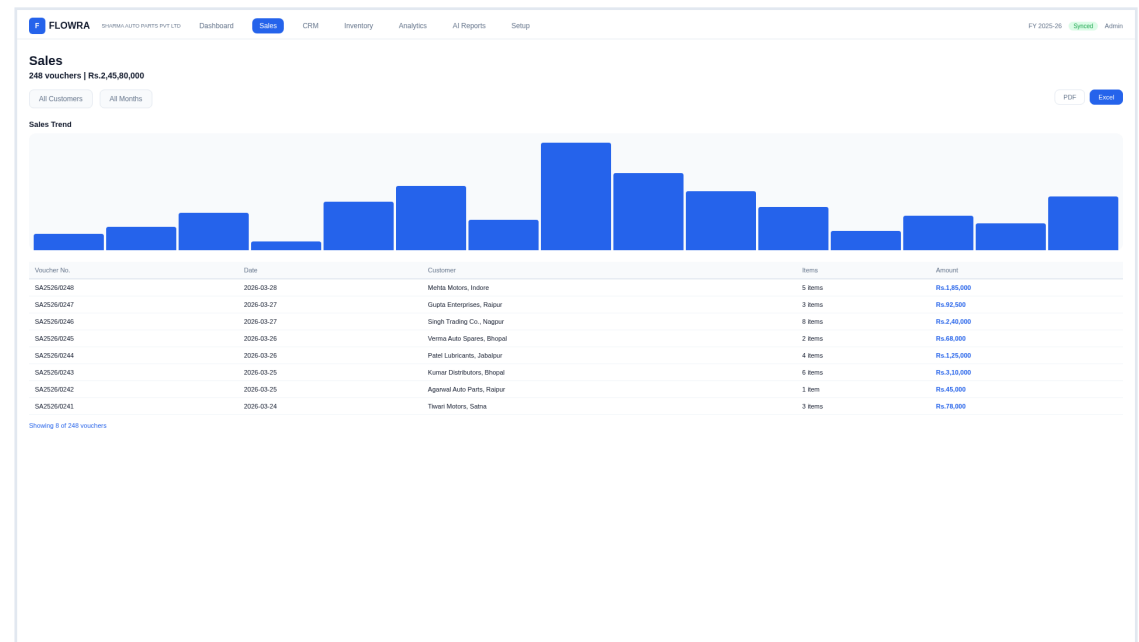

Live Business Dashboard

- > Total Sales, Items, Low Stock at a glance
- > FY-wise and cross-FY sales tracking
- > Top customers ranked by revenue
- > Overdue payment alerts with aging
- > Branch/Division toggle for accurate figures
- > Auto-refreshes with latest Tally* data

Sales Analytics

- > Sales trend charts with daily breakdown
- > Filter by customer, month, financial year
- > Voucher-level drill-down with item details
- > Export to PDF and Excel in one click
- > Branch sales can be excluded for accuracy
- > Customer-wise item sales breakdown

Customer CRM

- > Customer targets with achievement tracking
- > Outstanding and overdue management
- > Follow-up scheduling and reminders
- > Payment behavior scoring and analysis
- > One-click Excel export of outstanding & targets
- > Monthly/Annual target setting
