

BRAND ASSETS

FLOWRA — Social Media Kit

Pre-approved copy and asset references for partners, resellers, and our own social channels.

Brand Voice Cheat-sheet

- Indian English (favour 'organisation', 'cheque'; avoid Americanisms)
- Active voice; second-person ('You can...' not 'Users can...')
- ■ prefix, Indian comma system (1,67,17,990)
- Dates DD-MMM-YYYY (24-Apr-2026)
- No jargon a CA wouldn't say in a meeting
- Anti-patterns: 'Get started today!', 'Unleash', 'Revolutionary', 'Game-changing'

One-line Pitches

Long	FLOWRA is a family of focused SaaS tools for Indian SMEs — real-time analytics from Tally and Busy, CRM, dispatch, salesman ordering, CA reports, customer loyalty and team tasks.
Medium	Tally and Busy data, finally working for you. Real-time analytics, CRM, dispatch and CA reports.
Short	Software that runs your business — quietly.
Tagline	One brand. Many tools. No lock-in.

Suggested Posts

- Carousel — '11 modules inside FLOWRA Insights' (one slide per module)
- Reel — Tally → FLOWRA sync timeline (15s screen recording)
- Carousel — '3 outstanding-tracking mistakes Indian SMEs make' (CRM angle)
- Reel — Salesman placing an order on phone, admin approving, dispatch fulfilling
- Static — 'Built in India for Indian businesses' brand poster
